**Call by leaders:**

**24-7 prayer including at least 168 churches. Now is the time! Will you participate?**

God Himself says (2 Chron. 7:14):

*“If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land (Rapha).”*

Ministers and prophetic leaders worldwide and also leaders of Belgium, are calling with great urgency to a more intense level of prayer and fasting: we live in a time of unprecedented crises, even war in our own backyard. The world - and also the church - is being shaken violently: spiritual warfare against the Kingdom of God is growing. God surely wants in this season to bring revival to Belgium and Europe. And Belgium has been given an important role in the plan for revival and reformation in Europe. That is why it is crucial that Christians stand in unity despite the walls of our denominations and together take our prayer to a new level. Unity is incredibly important in the church as Jesus also prayed in John 17:20-23. This unity comes through our communion with the Father himself and is centered around Jesus as His only begotten son and the only way to God.

**Main goals of our prayer mission:**

1. That the war in Ukraine would not escalate, that God’s plans will overrule in and through this war.
2. Pray for unity in the body of Christ in our land.
3. Revival and reformation in Belgium – and from here to all of Europe!

**Short term action plan, long term strategy:**

There is a long term strategy and a short term action plan due to the urgency:

-> **Long term strategic plan**

- We believe that God has spoken that a 24-7 prayer chain should be set up and that each participating church should take one fixed hour a week (multiple hours are also possible)
- The day that the church has the hour of prayer, they should also fast (recommended but not required);
- Throughout Brussels, Wallonia and Flanders and the German speaking territory we will need 168 churches to begin and ultimately 336 (2 per hour = 48! per day);
- When a new emergency arises; this 24-7 network of praying churches can react immediately;
- A prayer time with leaders via Zoom will also be set up.

As of September first, this should be fully operational until the end of 2022, after evaluation we plan to continue.

-> **Short term (urgent)**

Plan as of now an hour of prayer and worship in your church or prayer group so that the atmosphere will change over Belgium and Europe and also the war situation and it's consequences. If your heart is burning and your reaction is 'Yes! I commit to this' -- let us know what time you are willing to pray so that we can give you a slot in the 24-7 prayer chain. We will send you more details, ideas and practical instructions later.
